NRG-REPORT.CA is a separate website from our main corporate site and is dedicated to providing you with information and answers on:

- Reducing energy prices and controlling costs
- Mitigating the risks of energy procurement
- Petroleum, natural gas, electricity and commodity prices

Exclusive to **NRG-REPORT.CA** will be our Two Day Gas Trend prices across Ontario and other parts of Canada.

Our Energy and Commodity Analysts will post answers to your questions and information you need about the natural gas, electricity, petroleum, and industrial commodities markets.

NRG-REPORT.CA will also feature white papers, news stories, and industry specific reports. **We will send you an alert when there is something new on the site that you need to see.**
